15) It is also for consideration, whether any works done during the visit of the Governor-General need be repeated if they are extant In that case, i e if those items are in a still serviceable condition, the expenditure may be proportionately less This is a matter for examination in the concerned Administrative Secty and Department If such a reduction in total expenditure is possible the govt grant may be reduced as deemed advisable

(ii) Items 6 & 7 (repairs to roads & improvements to Shimoga) take between them Rs 4 crores, & the normal annual budget for the two is about Rs 1 crore. Apart from these works, perhaps a part of a big passage cannot be made on account of existing bridges. The first two large gaps [illegible] Tunga

(iii) The time at our disposal is also very short (about 8 or 10 days) & may not be possible to carry out these improvements even if funds are sanctioned

Final note by the Minister for City Municipalities & Muzrai

Subject - Special grant by Government to the Mysore City Municipality in connection with the visit of the Hon'ble Pandit Jawaharlal Nehru, Prime Minister for Indian Dominion, in December 1948

In his letter dated the 20th November 1948, the President, City Municipal Council, Mysore, requested sanction of Government to the resolution of the Municipal Council dated the 19th November 1948, approving of the proposal

(i) to incur an expenditure of R. 5,000/- from out of Municipal funds in connection with the visit of Pandit Jawaharlal Nehru, Prime Minister of the Indian Dominion to Mysore City, and

(ii) to request Government to give a special grant of Rs. 75,000/- to undertake certain additional works in the City which were of an important nature

The expenditure of Rs. 5,000/- from out of Municipal funds, was sanctioned in Government Order No L 5891-2/Ml 96-48-70 dated 1st December 1948 With regard to the special grant from out of State funds, as a special grant of Rs. 10,000/- was given in August 1948 to this Municipality when His Excellency the Governor-General visited the place, an enquiry was made whether any works carried out during the said visit were repeated and whether the expenditure could not be reduced In reply to this, the Municipal Council asked for a reduced grant of R. 50,000/- sending an estimate for Rs. 55,000/- for the works proposed to be undertaken in connection with the visit The matter was considered at a meeting of the Council and a reply was sent in No L 9657/Ml 96-48-70 dated 18th February 1949 that the request of the Municipality for a grant cannot be complied with

The President again reported that expenditure to the extent of Rs. 25,000/- was actually incurred during the visit of the Prime Minister and sent a fresh resolution of the Municipal Council asking for a special grant of Rs. 25,000/- The question was again discussed at a meeting of the Council of Ministers held on the 16th March 1949, when the following

In regard to the grants of

meeting. The Secretary
Lindsay Howarth moved the
Budget Estimates of the State for 49-50
it might be stated that the
allotment of Rs 27,500 represents
the normal grant which is to be
placed at the disposal of the Trust
Board for 49-50. If any reduc-
tion to the extent of Rs 1000 is made
therein for placing it at the disposal
of the Municipality, the
Trust Board would feel disappointed
If however, it is considered
that the expenditure of Rs 1000 is to be

we think that the
The orders of the Minister for

Subject - Arrangements in connection with the visit of Sjt. Pandit Nehru, Prime Minister of Indian Dominion to Mysore City

---

I have the honour to state that a Special Meeting of the Municipal Council was held yesterday the 19th November 1948 to take advice regarding the presentation of a Civic Address to Sjt Pandit Nehru, Prime Minister, Indian Dominion on his visit to Mysore City during next month as it was felt necessary that necessary action should be taken in this connection early The Council was of opinion that similar arrangements as had been made in connection with the visit of His Excellency Sjt C Rajagopalachari, Governor-General of Indian Dominion during August last be made on this occasion also The Council are of opinion that it is necessary to make some outstanding permanent improvements to roads and buildings, as may be found necessary on the occasion of Panditji's visit The Council has therefore resolved that a sum of Rs 5,000/- be spent out of Municipal funds for the purpose of presentation of an Address in Silver Casket and other expenses in that connection and further that Government be requested to accord sanction for the grant of Rs 75,000/- out of State Funds for the improvement of roads and slum areas etc They also resolved further that in order to make arrangements in connection with the above, a Sub-Committee consisting of the President, the Vice-President, the Commissioner, Sri B Narayanaswamy, Sri T Venkataramaniah, and Mr W H Theobald be constituted In enclosing herewith a copy of the above resolution, I request you kindly to obtain early orders of Government approving the incurring of an expenditure of Rs 5,000/- from out of the Municipal funds for - arranging a Civic Reception and presentation of an Address by the Council and to a State Grant of Rs 75,000/- to attend to road repairs and such Miscellaneous work, that have to be arranged in connection with the above visit

Subject Special grant of Rs 75,000 to the Mysore City Mcty from Govt funds in connection with the visit of Pandit Jawaharlal Nehru Prime Minister of the Indian Dominion in Dec 1948

Sir, With reference to your letter No C3 P38/48-49 dated the 20th November 1948 on the

above subject I am directed to state that during the visit of His Excellency the Governor-General in August 1948 a special grant of Rs 10000 was sanctioned from Govt. funds for certain special works in the Kingsway Camp Delhi excluding Rs 2000 from the Imperial Delhi. Whether any works done during the visit of His Excellency the Governor General are repeated now may be examined if they are extant and the expenditure proportionately reduced thus point may be clarified

I am to point out in this connection that the grant of Rs 75000 asked for now is fetched very high in view of the fact that the grant given during the Governor-General's visit was only Rs 10000 ~~and~~ The present grant may be curtailed and a revised proposal

may be sent up for the
Consideration and orders
of Govt — in the light of the
above observations
3 The matter may be treated as urgent

Sir,

Subject - Special grant of Rs 75,000/- to the Mysore City Muncipality from Government funds in connection with the visit of Pandit Jawaharlal Nehru, Prime Minister of the Indian Dominion in December 1948

With reference to your letter No 6087 dated 4-12-48 on the above subject, I have the honour to state that the letter under reference was placed before the Sub-Committee constituted to make arrangements in connection with the above, along with a modified abstract estimate of works relating to the works to be executed in this connection The Committee who examined the same were of opinion that the amount detailed in the abstract estimate are the barest minimum possible to execute the several works satisfactorily and they have accordingly resolved that the Government be requested to kindly approve the revised estimate for Rs 50,000/- and be pleased to sanction the grant to that extent It may also be stated in this connection, that works which were executed during the last visit of the Governor General of Indian Dominion in August were mostly of a tentative nature such as, sand blindage, touching up of the roads etc , and as it is nearly four months since the visit was over, the repetition of the works as observed in your letter cannot be stated to arise even though the same roads as were attended to last time have to be done during this occasion also Further, the works done during the last visit were mostly of a superficial nature to serve the occasion and the works now proposed to be attended to are of a permanent kind and especially great attention has been paid to the permanent improvement of slum areas in the City as can be seen from the statement where more than half the sum (of Rs 27,000/- out of the Rs 50,000/-) asked for has been

been set apart It is understood that the Prime Minister is very particular of great attention being paid to such and it may not be unlikely that he may pay surprise visits to these parts I therefore, request you kindly to mov the Government to be pleased to accord sanction the modified abstract estimate now sent up and sanction the funds to that extent

Yours faithfully,
